

22. (new) A phosphate derivative according to claim 13 when administered to a patient to treat depression.

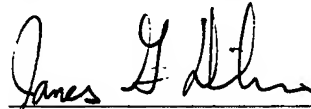

23. (new) A phosphate derivative according to claim 14 when administered to a patient to treat depression.

REMARKS

It is requested that the above amendments be entered prior to calculation of the official filing fee.

Care has been taken to avoid the introduction of new matter.

Respectfully submitted,

James G. Dilmore, Ph.D.
Reg. No. 51,618
